

A HAND TO HOLD

Get expert guidance to help grow your family.

We'll support you on your family-building journey.

Looking for expert help to grow your family? With the Cigna Fertility and Conception Management program, offered through WINFertility, you can get personalized guidance, education and emotional support every step of the way.

WINFertility has been a pioneer in the field for more than 20 years, delivering personalized guidance for a safer, better family-building experience.* WINFertility helps you understand your options so you can find the right provider and best course for you – making the most of your health benefits. From testing and treatment to medications and refills, WINFertility is by your side.

The WINFertility Companion AppSM provides direct access to infertility resources and discreet reminders.

WINFertility nurse care managers are available 24/7 to help you:

- › Understand your fertility benefits
- › Select Cigna in-network providers
- › Explore treatment options and costs
- › Understand success rates and risks
- › Manage medication usage and side effects
- › Ease emotional strain
- › Transition to Cigna maternity programs

Ready to take the next step?

Together, all the way.®
