

# Care at the speed of life

## Introducing Care Essentials by Kaiser Permanente, Downtown San Francisco

Get convenient care on the go. Located at the Salesforce Transit Center, Care Essentials by Kaiser Permanente is a safe and easy way to follow up on care prescribed during a virtual visit and get quick, high-quality services for minor health needs.

As downtown San Francisco reopens, you'll be able to walk in or make a same-day or next-day appointment for care. Plus, get a lab test during your commute, fill many prescriptions on your way out the door, and take care of your health without missing a beat.

At Care Essentials, you can expect the same high-quality care you get at any Kaiser Permanente facility – connected and streamlined to fit your life.
