

Cigna Healthcare retail pharmacy medical vaccine network

ESPAÑOL

A list of major participating pharmacies

You may be able to get the seasonal flu shot – as well as other vaccines – at your local retail pharmacy. Depending on your plan, vaccines may be covered under your medical benefit at no cost-share (\$0) to you.*

You shouldn't need to make an appointment to get a vaccine, but you should call your pharmacy to make sure your vaccine is available at that location.

Most immunizations for travel are generally not covered. If you use an out-of-network pharmacy, services may not be covered or may be subject to your plan's copayment, coinsurance or deductible requirements.
